

# NEXT-GENERATION TELEMATICS AND SUPPORT

THAT'S ANOTHER HINO **ADVANTAGE**

## HINO-CONNECT IS NOW ACTIVE ON YOUR VEHICLE

Congratulations on taking delivery of your new, next-generation Hino truck. The perfect choice of vehicle for your business that we are sure will deliver for you, now and well into the future.

At Hino, we are by your side for the long road ahead with a range of innovative support solutions like Hino-Connect - Next-generation telematics and support. Hino-Connect is a total business intelligence solution designed to reduce costs, optimise driver and vehicle performance, improve safety, and help you make informed decisions.

### HOW TO START USING HINO-CONNECT

To sign-up and gain portal access to monitor vehicle and drive performance, track location and review maintenance status, use the QR code on the right.

XAVIER\_HINCO39205.3

### HOW TO USE HINO-CONNECT ON REMOTE DEVICES

For Apple devices  
download on the  
App Store.

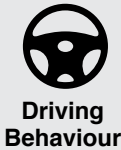

For all Android  
devices you can get  
it on Google Play.

If you don't want to use Hino-Connect, you can opt out at any time by visiting [www.hino.com.au/hino-connect/opt-out](http://www.hino.com.au/hino-connect/opt-out) or scan the QR code and follow the prompts.

## BUSINESS INTELLIGENCE

Track and improve driver behaviour, fuel efficiency, driver safety and vehicle utilisation in real-time.

## REMOTE DIAGNOSTICS

**Diagnosing and reporting vehicle faults, 24/7.**

In the unlikely event of a severe fault being detected, an alert is sent straight to the driver, you and your Hino-Connect Specialist.

## ENHANCED CARE

**Your Hino-Connect Specialist is here to help.**

If your truck does require a repair, you'll be supported through the entire process by your Hino-Connect Specialist.

## YOUR HINO-CONNECT PACKAGE INCLUDES COMPLIMENTARY:

- 5 years remote diagnostics and enhanced care
- 12 months business intelligence
