# HINO GENUINE ACCESSORIES

A Toyota Group Company

 **HINO**  
A BETTER CLASS OF TRUCK

# BETTER PERFORMANCE, APPEARANCE AND VALUE.

At Hino we're driven to do more for you, in every part of your business.

Hino Genuine Accessories are manufactured to the most rigorous standards under the same stringent QDR attributes (Quality, Durability and Reliability), that built your truck.

Hino Genuine Accessories are designed, calibrated and engineered to fit perfectly, first time every time, and perform effortlessly over the long haul.

Hino Genuine Accessories not only perform better, they look better too. They're all designed and precision made to enhance the truck's appearance and keep your business professional.

Best of all, we give you priceless peace of mind by backing every Hino Genuine Accessory with a 3 Years Unlimited Kilometre Accessories Warranty\*, when fitted by an authorised Hino dealer.

It all adds up to the better value only Hino Genuine Accessories can deliver.

\*Please refer to [hino.com.au](http://hino.com.au) for full terms and conditions on 3 Years Unlimited Kilometre Accessories Warranty.

## **ACCESSORIES WARRANTY**

Just like your Hino truck, each accessory is fully backed by Hino Australia's 3 Years Unlimited Kilometre Accessories Warranty\*.

By keeping your Hino 100% Hino using genuine accessories, you'll benefit with peace of mind so you can focus on looking after your business profitability.

# HINO 300 Series

## NUDGE BAR

A lightweight, polished tubular alloy that is aerodynamically designed. Also has airbag compatibility and is suitable for urban use.

## BULL BAR

A combination of quality and functionality. Made from a single channel with polished alloy finish. Fully FUPS and airbag compatible, they are an integral part of the overall safety system. Driving lights sold separately.

## LED DRIVING LIGHT KIT

50,000 hour + life span, low power consumption with unbreakable Lexan lens and anti-theft fasteners to complement your Hino Bull Bar.

## HINO TRAQ

### MAKE BETTER BUSINESS DECISIONS

At Hino we're driven to do more for you and now with our telematics system you can be linked to your trucks 24/7 in real time. Receiving reports on everything that counts. All the vitally important, highly detailed data that can build your business. You'll get reports on fuel efficiency. Optimising safety. Analyse and compare truck performance. Up to the minute, pinpoint-accurate truck locations. Plus, a wealth of associated fleet intelligence that can dramatically improve your operational efficiency and business decision making.

Your genuine Hino Traq telematics system automatically comes with a range of features, including:

- Fuel consumption, truck performance monitoring, over-revving and harsh braking reporting, truck location and geo-fencing.
- 1 year data plan
- 3 years unlimited kilometre accessories warranty\*.

**Option to upgrade with an additional two years data plan**

# ► SMARTER SAFETY & SECURITY OPTIONS FOR THE LONG HAUL

## NAVIGATION SYSTEM

Never get lost again with the navigation system. Update your system with a fully featured satellite navigation package including notification of load and height limited roads, as well as having the capability for input of multiple destinations. Package comes with free map updates for three years. The Hino multimedia system with satellite navigation has been designed for day to day use to ensure all your Audio / Visual / Navigation requirements are satisfied.

## REVERSE CAMERA KIT

Waterproof and offering wide view, high-definition quality vision with infrared night vision and microphone with volume control, to assist in driver safety and comfort. Camera is activated automatically when reverse gear is selected and can be used at any time while driving. Option to fit up to three reverse cameras on your vehicle.

## UHF CB RADIO

A single DIN unit comes with 80 auto channel programming, master scan technology and handset. Designed for easy installation utilising custom brackets and harnesses for simple plug and play. Unit also comes with a high quality antenna.

## SPEAKER UPGRADE KIT

Designed to both complement and enhance the Hino multimedia system. This plug and play upgrade kit features 3 way coaxial speakers with a 210W peak power rating.

### LANE CHANGE ASSIST SYSTEM

The Lane Change Assist System is designed to enhance driver awareness of space by eliminating the blind spots and significantly increasing visibility to the left and right side of the truck.

When the left or right indicator is applied, the multimedia unit will display the camera view on the screen.

### DVR CAMERA SYSTEM

A discreet dash cam with true HD video images with wide viewing angle. The unit is equipped with features such as 2 channels for video recording, 5.0 mega pixel front and rear camera, digital zoom and is Android / iOS application supported. Images can be played or downloaded to your phone, immediately providing 24/7 true accident monitoring or identifying vandals.

### 300 SERIES FOG / DAYTIME RUNNING LAMP (DRL)

Daytime Running Lights (DRLs) are a crash avoidance feature designed to help prevent crashes by increasing the visibility of the vehicle during daylight hours. DRLs turn on automatically when the ignition is switched on and are overridden when regular headlights are activated. Hino DRL kit replaces the existing fog lamp and is designed for easy installation utilising custom brackets and harnesses for simple plug and play.

#### **TYRE PRESSURE MONITORING SYSTEM (TPMS)**

A fully wireless system that will measure both tyre pressure and tyre temperature providing an audible and visual warning to the driver should either the tyre pressure or temperature become too low or too high. This system requires one sensor per tyre with the ability to monitor up to 24 tyres.

#### **REVERSE PARKING SENSOR KIT**

Complete plug and play reverse parking sensor kit used to aid the driver when parking and manoeuvring. This system comes complete with four sensors and a buzzer with all necessary electrical components for easy fitment.

#### **KEEPING YOUR HINO 100% HINO**

This is the ultimate testing laboratory. Nothing escapes maximum punishment. It's where legends are made and built into the everyday work horses that you, as a Hino owner, have come to rely upon for your livelihood. That's why it's important to keep your truck all Hino by using only Hino genuine accessories - made to last!

# DRIVEN TO DO MORE FOR YOU.

THAT'S HINO **ADVANTAGE**

[www.hino.com.au/hino-advantage](http://www.hino.com.au/hino-advantage)

With Hino Advantage, our innovative new range of support solutions, we're with you all the way. Helping reduce costs over the life of your vehicle. Hino trucks are famously built on the QDR (Quality, Durability & Reliability) promise, so you're already off to a great start. With Hino service and genuine parts your business is all set to keep running smoothly and efficiently. But if bad luck ever strikes, like getting a flat in the middle of nowhere, you will have 24/7 support with Hino Roadside Assist. With Hino Advantage, we'll even help you discover everyday operating savings you never thought possible, along with finance solutions to keep your business growing.
